BLUE GRASS ESTATES.

Land Valued at \$150 an Acre Made to Yield Handsome Profits.

profits in Horseffesh, and the investments Therein-A Well-Deserved Preside for Pine Stock-High Prices.

(i extington (Ky.) Cor. Globe Democrat.)

Forms unknown to geometry these blue pairs estates have assumed. The pixes

graded and dressed with solidly packed

magazidam which furnish a network of communication all through this region, seem to bave been bold out with a view to lessening distances between towns and to escaping hills. Truly the road surveyors gave no resognition to points of the compass. There ica degree of directness about the routes, but the rands curve and go off at tangents, while right angles are most unusual. farm boundaries are equally escuttre.

If there ever were section lines in the blue grass country, they have been obliterated. The southern ters who carne up here to make homewheel out the land into great estate ey was no object. Their cuttien said to cound slaves insured the revenue. They not our and required band until they t the desired proportions of weed and not not not tillight helds and then section a to improve their surroundings. reseas where they would nitord the most consolution and embying lite. the empirical estates came to be divided up among being the problem, was, to reportion on the different condities of boos turby, and there were those arbitrary their drawn our ting up the group Cell metatheding (199) dairy came we cloud and crock. As the came were nurried and given in marriage the boundaries became still more confuring. This imions were the joining of so many

a martely making very the fragmanous bloodor of the blue gives turns.

THEY HOLD THEIR OWN. Is the blue grass country in danger of los-ing its prostige for furnishing time see http:// beauteemse, settl Mr. Smith McCan ne of the succes ful breaker of this vicinity. We get letter prices than we ever did, and demand is an after. There have been some images to the way of doing things, and I've and my fears as to what the effect would be attinuably, but so far we holding our market. It would to be the case that our bros less wood it feel almost insulted it is stranger cour-lers from the north and attempted to buy their lest breeding stock. They would sell the get, but when it came to parting with the sires of choice broad mares, no amount of money would tempt them. It is different now, and some of our noted mares have been sold, and taken out of the blue grass country. We find the last coundation to such the however, The pinnters who came court unitically expected procention than suppliers from the south and established these stock forms and almost unlimited capital. and they leed not so much for money mak ing as from a love for the horse. We are reaping the benefit of their early and lavish expenditures. You may not trink it, but many of the best stallians of the north are and in here for the season, while appingtime nings as the choice mures from Maine to hilferam. Eve had arrive on the same day broad mares from Texas and New York."

PROFITS IN HORSE-PLESH. Mr. Madamen the owner or Red Wilkes, the one cosor to George Wilkes' fame in the linearms country. Early the one of Asia bind, there what and astron, by the college are late. We life tamped appel that property. Honorous desired, on the terms place, not of Levis ton. Walking averagional restriction consent his expression action for the large McCarron with a purpose of the expression and the filler plane with remaining control (1.5 to 27) in more years and the large particle of the ramons Phil Thompson with a record of 2:17; and a posmise of reaching 2:12 before le senson is encert. Phil Thompson's 3 years old time, 2021, was the fastest for the age and was made in a race against such 4 year desas Director, Clemnore C., Namele and Tracket Mr. McCanno of Phil Thompson, when a 2 year-old, for 20,000. The next offspring of Red Wilkes and Anna Belle was parchased by Bonner for 85,500; the third ded while no for of \$7,000 was undergonsideration. For the fourth \$5,500 was refused when the was mostle of t, and she is now in training for the track. For the foul now by the white mare's side \$2,500 has been reposed. And this is but a single family. It I Willes services bring ever \$7,000 a service

THE ADVANTAGE WITH HIGH PRIVES. "New it is no easy," said Mr. Met ann, "to more a cost that seds as a yearling for 80.0 or issuion land rout costs \$150 mm acre, as it is to raise a supersit our land, that costs \$20 nm acre, and I believe it you figure out the come parative profit you'll find the advantage alice gether on the side of the high-priced land and stock. These reares you see run nearly all winter on the bine grass, The hay is bould from the stack and senttered over the pasture. We may give a little grain in the spring, but about all the extenteed they got is during the last long as you see them now, almost the year round. All that Roll Wilkes gets is hav. Even in season he is fed no grain. A good "Yes, part of the day be is turned losse in the puldock and twice a day he is exercised. Over there is Swigert's place. His yearlings bring feet — Pityboy hing up the receiver and him \$500 on an average, and Gen. Whith rs. sent the oftending is the back, and then went whose hig stables he between us and the spires of Lexington, gets about the same. takes careful attention and experience in offensive when she much that und this stock business, but these who are fulfills who last a jeb through ber mischief ing these conditions are all making money,

A Milwaukee Sonnet.

May that is married to a woman is of many days and full of trouble. In the morning he draws his salary, and in the evening behold, it is gone! It is a tale that is told, it is vanished and no man knows wither it goeth. He riseth up clothed in the chilly garposterity. He cometh as a horse or ox, and draweth the chariot of his off-pring. He spendeth the shekels in the purchase of fine himself is seen at the gates of the city with one suspender. Yea, he is altogether wretched.

When his see was managing the even that even rather containing the even that self-pring, the father, dressed in kine-breeches, and the continuous cost and vest set type in the office for recreation.

Buddhism in the Gymnoston.

It is something about an educated per son who cales clothing and the political editor of a dails paper, and in the answar is: "One is a tearned dyer and the other a durned har," but the conundrum has managed to escape from the office.

THE MERVILLIA PROPERTY

New York Sant.) In The Philadelphia Callet of August, 1829, 1 and description

"Our reaches may remember the benefiful aposke plucin "bolin Rookli," begin drag

"*Oh, ever thus lean shidhes its hour. Two scotting force at homes de ay: I never level a tree or flower.

But 'twis the first to Indonway,' etc. "In a Inte Georgia Courier, we find the following parody. The last stanza is exquisitely. affecting, and is tounded on the eternal experience of childhood;

""Two ever thus, from childhood hour Two seen my fondest hopes decay; I never loyed a bird or flower That did not fly or fade away. "I never had a little kit.

To pur so softly on my lap, But fecture's malice followed it. To kill by our or schoolboy rap. " I peyer had a bit of tonst.

Particularly good and wide, But fell upon the sanded floor, And always on the buttered side '" I have coried the above as it stands on page 379 of The Casket. The Casket was rubiished by Samuel C. Atkinson, at 112 Chescout street, the halelphin, G. R. J.
